SEWING COMPANIONS

Since we have two arrival days, we are making an effort to accommodate all who attend camp. Therefore we are requesting that you indicate who you would like to be seated with in the chapel sewing area. We will then do our best to seat your group together as requested. However, if we do this, we request you do not move your seating location as we want to accommodate everyone. Please be sure your seating companion is signed up for camp also.

CLASSES

There will be overlapping classes this year, but feel free to take all of them if you wish. A materials list for all of them will be included in your packet. There are two full day classes and one half day class. Sewing circles with Lyn on Friday night can be as long as needed. You can attend all four classes and either complete the projects at camp or take them home to complete. Please check the classes that you are interested in. This just gives us approximate numbers.
