July 2017 Quilt Show

The Country Store Boutique will again be open to sell your finished and unfinished items at the Quilt Show July 8 and 9, 2017

Quilts, quilt tops and blocks, small quilted items, unfinished kits sell very well. Fabrics and patterns are now allowed to be placed in the Country Store for selling. You may sell handmade items such as pincushions, quilted potholders, quilted dishtowels, placemats, aprons, purses, etc...

Please complete the form in this newsletter and submit your items to Jenny or Teresa at the April/May/June Guild meeting. If this is not possible, please call Jenny at 986-0141 or Teresa at 420-2248. If we don't answer, please leave a message. We will do our best to help make other arrangements to drop off your items prior to the show. **Each item must have a temporary label identifying it and it needs to match the list.**

Remember, you will receive 75% of the amount your item(s) sell for and 25% will go to the Guild. (This is a potential change, depending on board decision) We also have another option on the form: Donate the proceeds to the Guild. This is where you can donate the entire amount of an item you specify to the Guild.

Effective 2011, we are putting on a minimum and maximum price limit. At a minimum, the price is \$1.00 and at the maximum, the price limit is \$400.00. Please set your prices with even dollar amounts. (Not \$1.25, price it either \$1.00 or \$2.00)
